Dear parents,

We hope that you and your families are keeping well and that the children are continuing to engage in their Remote Learning for this week. The teachers are closing monitoring pupils who are engaging in Remote Learning. **It is important** that your child/children continue to progress in their school work during this time. We would like to thank parents and children for their co-operation and hard work so far. Please continue to send us photographs, pieces of work, emails and messages through Google Classroom so that we can **support each other** during this time of Remote Learning and Blended Learning. We really appreciate it.

**Reminder:** The children and staff of the Gaelscoil are on mid-term break next week **15th February-19th February 2021**. There will be **no Remote Learning** during this week.

## Important Remote Learning Arrangements Update:

- Please return **all exercise books/completed work/reading books/Engage Programme work** to the hall on **Friday 12th February between 10a.m.-12.p.m.** The teachers will correct the work done so far by the children. (Contact the school if this time isn't suitable.)
- There will be no Learning Packs for the children on **Monday 22nd February 2021**. **Staff will be using the day to correct work.**
- **The exercise books will be returned with the Learning Packs.**
- **Engage Learning Packs are ready for collection this Friday. Lessons within the Engage Programme will resume on Monday 22nd February 2021.**
- **Monday 22nd February 2021: A day of engagement in Mathletics, IXL and Accelerated Reading/Maths Programmes and other useful games. The Engage Programme will resume at 10 a.m. on this day for those children who recently signed up.**
- Teachers will be asking pupils to engage in Mathletics, IXL Programmes and Accelerated Reading/Maths/Programmes. These are all **paid subscriptions** by the Gaelscoil for the children. We will use Monday 22nd February to celebrate these programmes. All activities will be fun-based. The teachers notice that some children are not using these programmes. Please log on to Google Classroom on Monday 22nd February and your child's teacher will post how many minutes is to be spent on each programme. Please contact the Gaelscoil for any assistance if still unsure how to access these programmes. It is better at this point to ask than not to use the programmes. **Not all Primary School children have access to these programmes. Please avail of these programmes.**
- **Tuesday 23rd February:** Learning Packs for 2 weeks until 5th March 2021
